UltraVue® UV92

Tru Vue® Anti-Reflective Coating Technology on Water White Glass with 92% UV Block

UltraVue® UV92 Features:

Anti-Reflective
Advanced Scratch Resistance
Enhanced Cleanability
98.5% Light Transmission
92% UV Filtering
Water White Glass
Less than 1% Light Reflection
Amazing Clarity

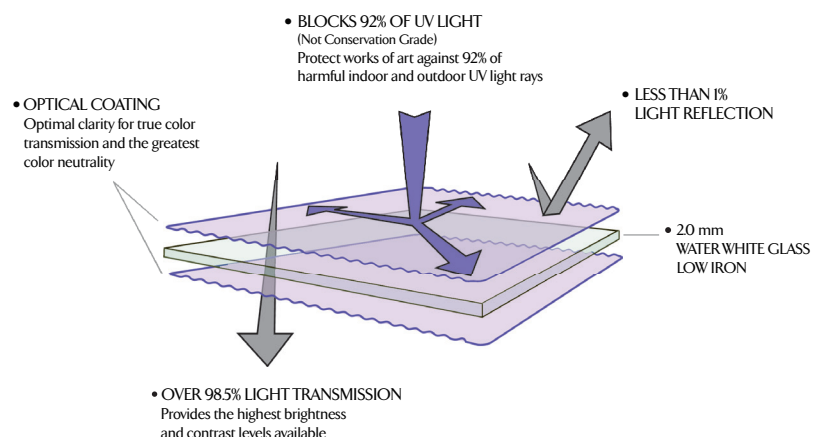

UltraVue® UV92 is a reflection-free premium glass that displays radiant colors and amazing clarity and blocks 92 percent of UV light. Light reflection is reduced to less than 1%, the lowest possible reflection available. The glass enhances the brightness, contrast levels and color of artwork as a result of the optical coating combined with superior quality.
